RE: LETTER OF RECOMMENDATION

To Whom It May Concern:

I am pleased to recommend The Merchant Strategy, Inc. (TMS) for public involvement services.

Craven Thompson & Associates worked with TMS on a City of Lake Worth Neighborhood Streets Program. They attended project meetings and recommended an appropriate public involvement plan based on the requirements of the project. This included planning, staffing, and facilitating two public meetings, collateral materials, notification letters, and all other items in collaboration with the project manager.

TMS is easy to work with and provides excellent service. We enjoy working with them and would highly recommend them to any team needing professional public involvement service.

Sincerely

CRAVEN THOMPSON & ASSOCIATES, INC.
