RE: M2 Business Consulting, Inc. Recommendation

To Whom It May Concern:

I have worked with M2 Business Consulting over the past year and have been impressed with their professionalism and depth of experience. Their excellent communication skills have made difficult, controversial projects run smoothly. M2's public outreach makes residents feel like their involvement is taken seriously and that they are part of the team and their relationships with staff and commissioners have kept dialogue going smoothly.

CGA staff has enjoyed the relationship and look forward to working with M2 Business Consulting on future projects.

Sincerely,
Calvin, Giordano & Associates, Inc.
