To Whom It May Concern:

It is with a great deal of pleasure that I present this letter of recommendation for Ms. Sharon Merchant and Mr. Don Mathis.

Suffolk Construction has been utilizing their consulting services for the past two years, assisting us with introductions to key personnel at the city, county and state levels. They have been resourceful, personable, professional and productive with the development and implementation of various strategies.

Having grown up in Palm Beach County and having been involved in local as well as state politics and various community projects both are extremely resourceful when it comes to knowing who to call upon for information, insight and the correct contact person.

We are extremely pleased with our relationship with Ms. Merchant and Mr. Mathis. I give them the highest recommendation and Suffolk Construction looks forward to a continuing relationship with them.

Please feel free to reach me 561-832-1616 if I can be of further assistance.
